To Whom It May Concern:

My name is Anthony Cannard I own and manage Kingston Kitchens. We design, manufacture and install kitchen cabinets to the higher end of the market. I have been in business in one form or another for over twenty two years.

I have had the assistance of Marcus Kroek as my business coach for the last two and a half years. The growth and satisfaction I have had in this time is the most profitable I have had in all my time in business. I owe the majority of this to Action Coaching.

To be able to continually set short and long term goals and routinely reach them gives an enormous amount of satisfaction, not to mention financial rewards. This is where Marcus has been invaluable to the way I now conduct business. All the pressures are gone.

Looking forward I cannot imaging a time in my business career that I would do without business coaching.

Yours truly,

Anthony Cannard
